

## 'Wheelie Friendly' Travel Club

DO YOU, OR DOES SOMEONE CLOSE TO YOU ..... have a mobility issue; use a walker or a wheelchair?  
WOULD YOU, OR THEY, LIKE TO ..... go on regular bus trips with friends ~ meet some new ones?

The 'Wheelie Friendly' Travel Club .....is a service offered in the Waikato utilising unique coaches with a lift, low steps, and a friendly and reliable driver. Please check out [www.easyrider.co.nz](http://www.easyrider.co.nz) for more info.

- We travel to various places of interest, sometimes just finding a nice place for lunch but **always** enjoying a nice drive through our beautiful country-side to wheelchair accessible destinations.
- Pickups from home are just part of the service.
- There are no membership fees to join our Travel Club and friends and family are always welcome.
